RE: TELEPHONE CONVERSATION WITH JONES HARRIS

On September 14, 1967, received a telephone call from JONES HARRIS in New York. He stated that he was successful in getting a list of the members of the board. He further stated that Life Magazine is very much involved with the foundation (money-wise).

He also stated that EDGAR R. BAKER an executive with Life Magazine is on the board.

Life Magazine is in the process of doing an article on the foundation. Of course it is going to be a favorite article.

He also stated that he had a conversation with DAVID CHANDLER while he was in New York and CHANDLER stated that WILLIAM GURVICH had shown his files on ALVIN BEAUBOUEF and other to GEORGE HEALEY of the Times-Picayune Newspaper claiming that ROSS YOCKEY and HOKE MAY had slanted some articles of this, and HEALEY had them pull from the case.
